#### INSTRUCTIONS:

Download catalog to a convenient place on your computer (e.g., your desktop)

Best opened with Adobe Acrobat or Adobe Acrobat Pro.

For navigational ease, make sure that Acrobat tools are visible. Depending on the version, this can normally be achieved with View>Tools.

The catalog opens in Adobe with thumbnails of the pages to the left. You may have to reveal the thumbnails with other PDF viewers.

There is an index at the front with page numbers for each of the image titles. Slide through the thumbnails to find a particular page. Or use the Acrobat Go To Page tool at the top (if visible).

All copyrights in all posted images accessible through this catalog remain vested with the original makers (authors) of the images. All use, copying, or republishing without permission of the maker is prohibited, except for downloading the images directly from this document or website for viewing purposes.
